

Monrovia Schools Foundation - Who are we?

MSF is made up of parents, teachers, business people and active members of the community who are committed to raising needed funds to supplement our limited school budgets.

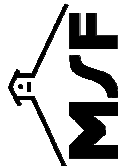

Currently, Monrovia Unified School District faces extreme financial challenges, with significant budget cuts from the state and an economic downturn that limits property tax revenues. As MUSD's main fundraising organization, MSF is committed to raising the additional funds necessary to ensure a quality education for over 6,000 Monrovia students. With your support, we can do it!

What MSF does...

MSF supports and helps ensure a quality education for every child in Monrovia Unified School District. As concerned committed parents, citizens and advocates for educational excellence, we raise funds, gather resources and act as a catalyst to involve the community in supporting public education. We celebrate the importance, value and achievement of our students, teachers and schools. By supporting our public schools, every day we make a difference in the lives of our children and add to the vitality of our community.

We Need Your Help!

What's at risk?

There's a lot to lose in this crisis!

- ▶ 40 Valued Teachers and Counselors
- ▶ Class size reduction K-3
- ▶ Art, Music, and PE
- ▶ Science and Technology

We CAN'T afford to lose any ground!!!

So much has improved in 10 years:

- ▶ NOW - 89% of graduates go to college or post-secondary training... including Harvard, Berkeley, USC, UCLA and other prestigious colleges across the nation.
- ▶ NOW - 5 schools exceed 800 on the state API; all are over 700 and increasing.
- ▶ NOW - MUSD has 5 California Distinguished Schools.

Why do public schools need private fundraising?

Our state budget is in crisis. California school funding has been slashed. Our states' funding for schools ranks 47th nationally and is falling. Our students need our community to financially support their schools.
